David's Rules of Life

1) Be Yourself - flaws and all

(in fact it was in his flaws I saw perfection)

2) Be Generous

(with your time, money and most of all with your heart)

3) Believe in yourself, in others and in the goodness of people.

Believe that the world is a place of abundance and love And not a place of scarcity and fear

Dave Crevelt

2015 Inductee to the WHS Community Hall of Fame
