## Athlete of the Week

Gabbie Gerrodette

January 29, 2024

Gabbie is a senior, point guard on the Girls Varsity Basketball team. Gabbie has been a soccer player growing up but she decided to switch it up and play basketball this season. She enjoys being with her teammates and her coaches and in the future, she hopes to finish the season strong.

For this season, Gabbie hopes to make either First or Second Team All-League. Gabbie balances school and basketball by doing all her homework during her free period.

Of the "8 Conditions," as it relates to basketball, Gabbie resonates most with **Fun & Excitement** because of the positive team environment.
