Athlete of the Week

Max Mueller

October 2, 2023

The Athlete of the Week is Max Mueller. Max is a senior goalie on the WHS boys Varsity Water Polo team. Max decided to play water polo because he thought it would be a fun way to make friends. Max loves competing with his teammates and seeing everyone on the team improve as the season progresses.

For this season, Max wants the team to make the CCS playoffs. Max's personal goal for this season is to improve and build upon what he did last season. Max balances water polo and academics by completing his work around practices and games.

Of the "8 Conditions," Max resonates most with **Fun & Excitement** because he says it is fun to compete and the water polo games are always exciting.
