## Athlete of the Week

Evyn Ellis

February 12, 2024

Evyn Ellis is a freshman on the Varsity Wrestling team.

She decided to wrestle because she likes contact sports and wanted the challenge of trying something new. Evyn enjoys wrestling because she loves to win. This gives her a **Sense of Accomplishment** when she succeeds in her matches.

In the future, Evyn hopes to wrestle in college. Her goals this season were to do well in Regionals, go to CCS, and be the PAL Champion. She balances school and wrestling by doing homework during lunch and Tutorial.

Of the "8 Conditions," as it relates to wrestling, Evyn resonates most with **Sense of Accomplishment** because she enjoys winning.
