

# Woodside High School

## Athlete of the Week

Joey Johnson  
February 26, 2024

Joey is a junior defender on the WHS Boys Varsity Lacrosse team. Joey grew up playing lacrosse and wanted to continue playing in high school. He enjoys being with his teammates and in the future, he hopes to play lacrosse in college.

For this season, Joey hopes to make it to the CCS playoffs. Joey balances school and lacrosse by doing all his homework before practice and games to make sure he gets all his work done.

Of the "8 Conditions," as it relates to lacrosse, Joey resonates most with **Fun & Excitement** because of the fun team environment and success the team is having this season.
