

# Woodside High School

## Athlete of the Week

Josef Schwab

February 26, 2024

Josef is a senior pitcher on the WHS Varsity Baseball team. He has been playing baseball since he was little and he continues to play because he is having fun. Being with his teammates is what brings him the most joy from playing at Woodside.

For this season, Josef hopes to continue pitching well. In the future, Josef wants to graduate from college. He balances school and baseball by getting all his school work done after practice.

Of the "8 Conditions," as it relates to baseball, Josef resonates most with **Fun & Excitement** because of the positive baseball team environment.
