

# Woodside High School

# Athlete of the Week

Evan Usher

September 18, 2023

Evan is a Junior running back on the WHS varsity football team. Evan decided to play because he has always loved football and his older brother also played at Woodside. Evan enjoys practicing, improving as a team each week, and winning games.

A goal for the season is to win as many games as possible and advance to the CCS playoffs. Evan balances football and academics by getting his homework done in class rather than after practice.

Of the "8 Conditions," Evan resonates most with **Belonging** because he feels like he fits in perfectly with the team and community, as well as the coaching staff.
