Student of the Week

Ryan Guaspari
January 9, 2024

Ryan is a Junior. His favorite class is Latin because his teacher teaches in a different, less traditional way. His favorite hobby is playing basketball as he plays for WHS.

Ryan doesn't have a favorite musical artist, but in the future, Ryan wants to be an electrician. Mr. Eaton is a WHS teacher who inspires his academic success because Ryan enjoys his teaching style.

Of the "8 Conditions," Ryan resonates most with **Spirit of Adventure**. Mr. Sahagun says, "Ryan has been an asset in class, pushing both himself and others. Ryan frequently chooses to engage in the optional, extra questions which go beyond the required material."
