## Student of the Week

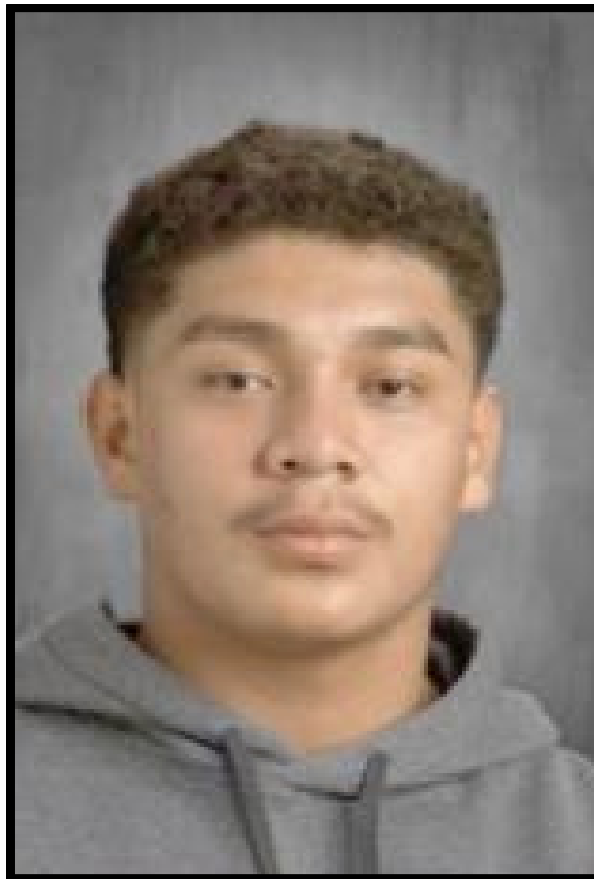

Selvin Flores Hernandez

October 23, 2023

Selvin is a senior. His favorite class is Algebra II. His favorite hobby outside of school is playing soccer and his favorite musical group is the Santa Fe Clan. In the future, he wants to become a doctor.

Mrs. Hennefarth is a WHS teacher who inspires his academic success because she motivates him to do better. Of the "8 Conditions," Selvin resonates most with **Leadership & Responsibility.**

Mrs. Hennefarth and Ms. Wachtler say, "Selvin is an example of a student who succeeds because he challenges himself to do more every day. He uses his bilingual skills and positive personality to create a positive environment for EML students as a peer tutor.

He's been a huge help in class!"
