

Woodside High School

Student of the Week

Daniella Claros Silva

October 30, 2023

Daniella is a senior. Her favorite class is History because she loves to learn about different countries. Her favorite hobby outside of school is singing and dancing and her favorite musical group is BTS.

In the future, Daniella wants to study architecture and interior design. All of the teachers at WHS inspire her academic success because they inspire her to improve in every aspect of life. Of the "8 Conditions," Daniella resonates most with **Fun & Excitement.**

Mr. Carbajal says, "Daniela is an excellent student who exemplifies most of the 8 Conditions of student success. She helps her peers in class and advocates for most that do not speak English. She may be soft spoken, but Daniela speaks volumes with the work ethic she maintains in class."

Woodside High School
