November 27, 2023

Sujatha is a freshman. Her favorite classes are Biology and Latin. Her favorite hobby both in and outside of school is reading and writing. Her favorite book is *The Wind in the Willows* by Kenneth Grahame.

In the future, Sujatha wants to study Biology and become a scientist. Ms. Ortiz is a WHS teacher who inspires her academic success because she knows a lot about biology and gardening.

Of the "8 Conditions," Sujatha resonates most with **Curiosity & Creativity**. Mr. Mooring says, "Sujatha is an incredible writer, both creatively and analytically. She has shown original insight into complex texts through her explanatory essays, as well as a unique, powerful voice in her memoirs. "
