

Woodside High School

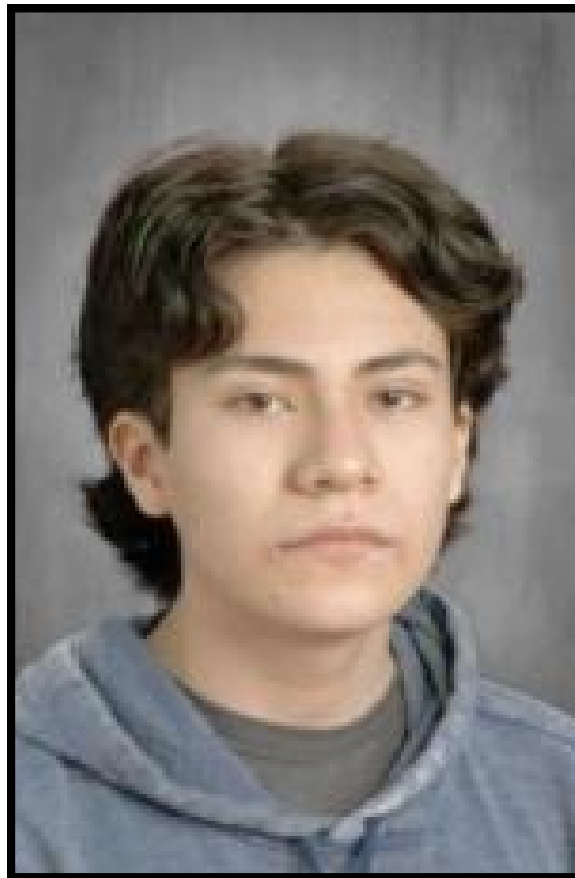

Student of the Week

Paris Tapia
May 13, 2024

Paris is a freshman. His favorite class is Physics because he likes to learn and have fun in that class. His favorite hobby outside of school is to work out and play video games. His favorite musical group is the Deftones.

In the future, Paris wants to own a business. Mr. Mooring is a WHS teacher who inspires his academic success because Paris says, "He is very helpful." Of the "8 Conditions", Paris resonates most with **Fun & Excitement.**

Mr. Mooring says, "This student took a risk by moving from ELD to English 1, thereby demonstrating confidence and trust in others.

Not only that, but Paris has so far succeeded in meeting the standards for English 1, despite learning English recently. Paris has achieved all of this while remaining kind and empathetic to his peers."

Woodside High School

"Opportunity, Community, Excellence"
