Student of the Week

Taylon Wilson Banks

May 20, 2024

Taylon is a junior. His favorite class is multimedia because he likes making cool art. His favorite hobby outside of school is gaming and sleeping and his favorite musical genre is EDM.

In the future, Taylon wants to start dreaming bigger for himself. He appreciates all teachers who have ever taught him because they have helped his academics.

Of the "8 Conditions", Taylon resonates most with **Fun & Excitement** because he loves having fun. Ms. Vera says, "Taylon has come such a long way in his academic and personal journey. He now is thriving, completing his work, and has become a great advocate for himself. He pushed himself and now attends clubs and is branching out and making friends."
