

Woodside High School

Athlete of the Week

Trent Amoroso
March 11, 2024

Trent is a junior, pitcher/middle infielder on the WHS Varsity Baseball team. Trent decided to play baseball because of his dad and how much he impacted him. The WHS team chemistry is what Trent enjoys most about playing baseball at Woodside.

In the future, Trent hopes to play college baseball. This season, Trent hopes the team makes it to the CCS playoffs. Trent balances school and baseball by doing his homework before practice or after work.

Of the "8 Conditions," as it relates to baseball, Trent resonates most with **Fun & Excitement** because of the team chemistry and all the fun the varsity baseball team has.
